Subject: Recognition of AMIETE

Dear Sir,

We thankfully acknowledge your letter No IETE/38/93 dated April 19, 1993 addressed to our Secretary General. We are happy to know that IETE the country's premier professional body devoted to progress in Electronics and Telecommunication Engineering have conducted three examination of "C" Level (M. Tech Level) in Computer Science which carries the accreditation of the Ministry of Human Resource Development, Govt of India. We are also aware that AMIETE conducted by the Institution is already recognized by the Govt of India and is accepted by national level GATE. As IETE Examinations are recognized by Govt of India, we do not foresee any difficulty in acceptance of the Institution at Indian Universities, on merits of admission to higher courses. We should be glad to write to any university in case of any difficulty of IETE graduates.

Thank you,

Yours faithfully,
